

Substance Abuse (Crownsville Area)

**JOB VACANCY:RN/LPN-PRN**

Hope House is a busy inpatient chemical dependency organization in Laurel. We are currently expanding and prepared to add PRN RN/LPN's to our staff. The RN/LPN schedule will be rotating shifts to include mostly nights, weekends and holidays. Also, this RN/LPN will administer detoxification medications to patients. We are committed to providing the most modern and comprehensive care available.

**Job Title: RN/ LPN-PRN**

\*Required Certification: Active MD Board of Nursing License (will accept new grad that is preparing to sit for boards)

\*Required Experience: Typing experience (at least 30 wpm) & Computer Literacy

Preferred Experience: We will train motivated individuals

The chosen RN/LPN's will clearly demonstrate their capability to perform the following:

- \* Develops and documents individualized treatment plans with objective, realistic goals.
- \* Consistently demonstrates ability to maintain accurate inventory of all medications.
- \* Efficient in calculating dosage
- \* Must pass pre-employment background checks and drug screening
- \* Demonstrate computer literacy (Windows, Microsoft Office, etc.)

There is opportunity for advancement in our organization!

Hope House
